Top Skills

Machine Learning

Deep Learning

Python

Languages

English (Full Professional)

French (Limited Working)

Certifications

End-to-End Machine Learning with
TensorFlow on GCP

Introduction to TensorFlow for
Artificial Intelligence, Machine
Learning, and Deep Learning

Neural Networks and Deep Learning

Convolutional Neural Networks in
TensorFlow

Deploy Serverless Machine Learning
Models to AWS Lambda

Publications

A Smart Irrigation System for
Agriculture based on Wireless
Sensors

Mrinmayi Gavali☁️#

Data Scientist

Orange County, California Area

Summary

#DataScientist #AWSCertified

Experience

TensorIoT Inc.

Data Scientist

August 2019 - Present (8 months)

Irvine, California

San Jose State University

Student

August 2017 - May 2019 (1 year 10 months)

San Jose

Neuro Leap Corporation

Software Engineer Intern (Data Science)

August 2018 - December 2018 (5 months)

San Jose

Indian Silicon Pvt Ltd

Software Design and Development Intern

January 2017 - June 2017 (6 months)

Pune Area, India

Education

San Jose State University

Master's degree, Electrical Engineering (specialization in Machine Learning
and Neural Networks) · (2017 - 2019)

University of Pune

Bachelor of Engineering (BE), Electrical and Electronics
Engineering · (2011 - 2016)
