Geoffrey Hughes

Data Scientist at Chapman University's Community Health Equity Lab

Laguna Beach, California

Summary

I do my best to contribute to a welcoming, productive work environment. I work well within a team or on my own, and love to help in any way possible.

Python, SQL, C++, C#, Java, Git, GIS ArcMap, Adobe Illustrator, Android Studio, Keras, Tensorflow, Docker, Looker, Google Cloud (MySQL),
https://github.com/geoffreyhughes

I'm actively looking for a summer internship to pour myself into completely.
