# Michelle Venables

Data Scientist and Machine Learning Engineer
Laguna Beach, California

## Summary

Data Scientist and Machine Learning Engineer with experience in
Data Acquisition, Predictive Modeling, Statistical Analysis, Machine
Learning, and Natural Language Processing. With 2 years of
experience in Financial Consulting and a Master's in Business
Administration, I am excited to advance my career in Data Science
in order to effectively solve business problems. I have a passion for
learning and hope to be part of a team of experienced Engineers and
Data Scientists!

---

## Experience

### HBMJ Consulting, LLC
Associate
October 2017 - September 2019 (2 years)

Performed data analysis on multiple areas of the business including profit and
loss statements, monthly and quarterly reconciliation processes, and annual
financial statements.
Fulfilled project management tasks of 2 upgrades with the Advent Geneva's
Accounting Software while working with Data Scientists and Software
Engineers to identify enhancements on custom reports.
Provided software and accounting support to all clients with the responsibility
of delivering weekly status reports.
