Dean's List

Robert Meyer

Data Scientist at Cogility Software
Orange County, California Area

Summary

I have a focus on data science using network structures. In particular I want to make less brittle, more generalizable directed graph methods for creating AI with a higher level of causality encoded into it.

Experience

Cogility Software
Data Scientist
February 2020 - Present (2 months)
Irvine, California

The Perduco Group
Data Scientist
April 2017 - February 2020 (2 years 11 months)
Beavercreek, Ohio

Cleveland State University
Tutor
August 2014 - May 2015 (10 months)

Assist students in statistics, calculus, and applied math during one-on-one sessions and small groups.

Education

Cleveland State University
Bachelor of Science (B.S.), Mathematics and Statistics · (2012 - 2015)
