Sean Paradiso

Recent M.S. Data Scientist Graduate Seeking New Opportunities
Huntington Beach, California

Summary

My professional interests involve the general field of Data Science, Statistical Data Modeling and Analysis, Time Series Analysis, Scientific Computing, High Performance Computing, Machine Learning, and Data Mining in R, Python, Java, and C/C++.

Experience

Chapman University
Recent M.S. Data Scientist Graduate
May 2017 - Present (2 years 11 months)
Huntington Beach, CA

Education

Chapman University
Master of Science - MS, Computational & Data Sciences Focus in Analytics and Applied Mathematics

University of New Hampshire
Bachelor of Science - BS, Interdisciplinary Mathematics and Economics · (2008 - 2012)
